TALKING POINTS, cont.

COLKEGAN SINGLE MALT

Colkegan Single Malt is mesquite smoked to give it a distinctly Southwestern flavor that is reminiscent of a fine scotch. Aged a minimum of three years in new American oak and used bourbon barrels, Colkegan has a mature flavor not found in many American craft whiskies. Hand crafted and hand bottled in small numbered batches. Bottled at 92 proof for extra flavor.

TASTING NOTES:

Whisky Magazine says, “A nose of white chocolate, orchids... summer berry fruits, and marzipan...this is a real delight of a nose.” The palate is...charming in the mouth with white chocolate... warm hickory wood, rosehip syrup, black currant... some bitter cherry stones, a hint of Mozart chocolate bitters and a bit of raw rhubarb.” Finish is “chewy and soothing.”

Gold – 2022 Beverage Tasting Institute
91 Points – Whisky Advocate Summer 2022
Gold – 2022 Whiskey & Barrel Consumer Choice Awards
Silver – 2022 Tokyo Whisky & Spirits Competition

Colkegan Expressions

Mesquite Smoked Single Malt (92 proof)

– Made with 100% American Barley, 1/3 mesquite smoked for its signature subtle smokiness. Aging in new and used American White Oak Casks for a minimum of three years creates a wonderful blending of oak and smoke. Large notes of oak, caramel and mesquite; a true Western Whiskey.

Cask Strength Single Malt (118 proof)

- This whiskey boasts the highest awards of the portfolio with 94 points from the Whisky Advocate. Bottled at 118 proof, it is an amazingly balanced whiskey.

Apple Brandy Cask Finished (92 proof)

- Once decanted from the full-size casks this whiskey spends an additional year resting in used Apple Brandy Casks, making a truly exceptional whiskey, still with the subtle smoke, but with a mellower, fruitier finish.

Colkegan Expressions

Bottled-in-Bond (100 proof)

- The first whiskey in New Mexico to meet the rigorous Bottled-in-Bond standards: distilled, age, and bottled at one distillery, distilled by one distiller in one season, minimum four years old, bottled at exactly 100 proof, nothing but pure water added.

Sherry Cask Finished (PX) (100 proof)

- PX ages for a minimum of three years in new and used American oak barrels before being transferred to use Pedro Ximenez sherry cask, where it spends an additional year. Sophisticated, subtle smoke and rounded fruit flavors.

Unsmoked (92 proof)

- The only whiskey in the Colkegan line up that doesn't use the signature mesquite smoked grain, this whiskey lets all the barrel notes be the star.
