MALTED BARLEY

AGED A MINIMUM OF 3 YEARS

750 ML

59 ABV

THE ORIGINAL SANTA FE WHISKEY IS AN
UNABASHEDLY ORIGINAL SINGLE MALT.

Double-distilled in a copper pot still, The Original Santa Fe Whiskey is carefully handcrafted from mesquite-kilned malted barley. Patient, traditional aging in a combination of new American White Oak and once-used bourbon barrels, then finishing in used Apple Brandy casks for at least 6 months makes for a Single Malt that is rich and complex with hints of fruit and smoke.

SANTA FE'S LOCAL DISTILLERY

The spirit is different at 7,000 feet. Distilled at the foot of the Sangre de Cristos, Santa Fe Spirits delivers the soul of the Southwest in every sip.
