750 ML

50 ABV

THE ORIGINAL SANTA FE WHISKEY IS AN
UNABASHEDLY ORIGINAL SINGLE MALT.

Double-distilled in a copper pot still, The Original Santa Fe Whiskey is carefully handcrafted from mesquite-kilned malted barley. Our Sherry Cask finished Original Santa Fe Whiskey has aged patiently in new and used American Oak Barrels before being finished in used Pedro Ximenez Sherry casks for one year, to create a Single Malt that is rich, complex, and mature.

SANTA FE'S LOCAL DISTILLERY

The spirit is different at 7,000 feet. Distilled at the foot of the Sangre de Cristos, Santa Fe Spirits delivers the soul of the Southwest in every sip.
