THE ORIGINAL SANTA FE WHISKEY IS AN
UNABASHEDLY ORIGINAL SINGLE MALT.

Double-distilled in a pot-still, carefully handcrafted from malted barley. Patient, traditional aging in new American White Oak and once-used bourbon barrels makes for a Single Malt that is rich and complex with an amber color evocative of fall in the Sangre de Cristo Mountains. The Original Santa Fe Whiskey Unsmoked is our nod to classic Single Malt Whiskey.

SANTA FE'S LOCAL DISTILLERY
