

# SILVER COYOTE

Silver Coyote is twice distilled and bottled in Santa Fe using only 2-row barley to create a well-balanced white whiskey that pairs well in a variety of mixed drinks, from margaritas to manhattans.

## TASTING NOTES:

The Beverage Testing Institute says: “Attractive aromas of crusty raisin bread and macadamia nut praline with a silky, fruity-yet-dry medium body and a delicate honeyed granola, limestone, and spice finish.”
